

Mr. Amgad El-ATROZY (Egypt) has joined ICCROM on 1st January 2017 to fill the position of Operations Officer at the ICCROM-ATHAR Regional Conservation Centre in Sharjah.

In his new role, Amgad will be engaged in all administrative and operational matters of the ICCROM Athar Centre, and assist Zaki Aslan, the Regional Representative of ICCROM in the Arab States and Director of ICCROM-ATHAR Regional Conservation Centre, and myself here at our Headquarters, in the operational management of the ICCROM-ATHAR Centre's finance, human resources administration, procurement, logistics and ICT services. Amgad will also join the SAP implementation and business process review team, and will be the focal point for the planning and preparation for our SAP project in our Regional Office.

Amgad has a vast experience acquired through working in non-governmental organizations, including Save the Children and Positive Planet offices in Egypt, handling operations in the MENA region. He has also worked on several projects funded by the European Union, the FORD Foundation, UNICEF, the Cherie Blair Foundation and Danida along with other local partners and NGOs.

Amgad holds a BSc in Accounting from the Ain Shams University, Cairo, Egypt.
